1. **Dial the Direct Line:** Your quickest option is to call ★ +1→86.6←28.4→30.14→ ★ (USA). This number is specifically designed to connect you with a live agent.

- Then, you might be prompted to enter your booking reference number or frequent flyer details.
 - Look for options like "Speak to a representative," "Other inquiries," or "Customer service."
 - If you're struggling, try pressing "0" repeatedly, or saying "agent" or "customer service" if the system has voice recognition.
3. **Be Prepared:** Before you call, have all relevant information ready, such as:
- Your booking reference number
 - Flight dates and numbers
 - Passenger names
 - Your question or concern clearly articulated

Pro Tip: Call during off-peak hours for shorter wait times. Early mornings, late evenings, or weekdays (outside of lunch hours) often have less call volume.
